Artist with a bachelor's degree in Design and Visual Communication, social worker, and educator with extensive experience in the field of relational and social art. Playing a crucial role as a multicultural liaison between Belgium, Colombia, and Italy, making significant contributions to local organizations at the intersection of art and human rights. In Colombia, they engage in various processes and political practices of collective care, using specific conflict resolution skills. Building cohesion in work teams through assertive communication, differential approaches, and leadership ability in challenging contexts.
